# ST. VINCENT'S COLLEGE, LOS ANGELES, CAL.

---

**H**IIS institution, *chartered* according to the laws of the State of California, and empowered to confer *Degrees*, is situated in the City of Los Angeles, proverbial for the salubrity of its climate and the beauty of its scenery.

The faculty is composed of the *Priests of the Congregation of the Mission*, who devote themselves to the promotion of the health, happiness and the intellectual and moral advancement of the students intrusted to their care.

The college is open to all over the age of ten years, who are competent to enter the primary course, and who come with respectable recommendations, provided they comply with the rules and discipline of the college, which though strict, are, nevertheless, mild and parental.

The college buildings afford to pupils ample and elegant accommodations. The dormitories, halls and study-rooms are spacious, well ventilated and provided with all the conveniences of an elegant home. The grounds contain everything necessary for healthful and pleasant recreation.

## STUDIES.

---

The courses of studies are Collegiate and Commercial.

The Collegiate Course embraces English Grammar, Rhetoric, Composition, History (ancient and modern), Elocution, Geography, Arithmetic, Algebra, Geometry, Trigonometry, Surveying, Differential and Integral Calculus, Chemistry, Natural Philosophy, Astronomy, Logic and Metaphysics, Latin and Greek. The Spanish, French and German languages are optional.

In the Commercial Course, besides the English language, Arithmetic, Geography and Elocution, particular attention is given to Commercial Law and Book-keeping in its various branches.

Students who have completed the Collegiate Course in a satisfactory manner are entitled to the degree of *Bachelor of Arts*; and, after spending two years in the pursuit of scientific or literary studies, they can receive the degree of *Masters of Arts*.

Commercial Diplomas are awarded to the students of the Commercial Department on the satisfactory completion of their course.

Doctor's fees and medicine will be paid by parents or guardians.

The institution will not furnish clothing, books, etc., unless the parents or guardians expressly request it, and deposit a sufficient sum of money with the treasurer for that purpose.

Each student, on entering, should be provided with an ample supply of clothing, embracing three or four suits of clothes, an overcoat, boots or shoes, socks, handkerchiefs, napkins and napkin ring; also towels, combs, brushes and other articles necessary for the toilet. The student's name should be marked on his clothing.

Students are received at any time of the year, and charged from date of entrance only. No deduction, however, will be made for absence during the session, except in case of protracted illness or dismission. Hence parents or guardians are warned not to withdraw students during the session for slight complaints or frivolous reasons.

*Payment in advance is strictly enforced.*

## REGULATIONS.

---

The Scholastic Year consists of two sessions of five months each. The first session opens at the beginning of September and closes at the end of January ; the second opens on the first day of February and closes in the last week of June.

There are two general examinations, one in January and the other in June.

Monthly reports are sent to parents or guardians.

There are no classes taught on Wednesdays, or on days of religious or national observance. There is a vacation of one week at Christmas and Easter.

Day pupils are expected to be in the college at 8 o'clock ; recitations begin at 8.30 A. M. There is a short recess at 10.30 A. M. At noon there is a recess of one hour. Studies and recitations are resumed at 1 o'clock and continue until 3.30 P. M., at which time the day pupils are dismissed.

The time spent in college being mostly spent in recitation, day pupils are expected to prepare their lessons at home.

Punctual attendance is strictly enforced. In case of absence or very late attendance, a note from parents or guardians is required, giving a satisfactory reason for such absence or tardiness.

## DISCIPLINE.

---

St. Vincent's College is a Catholic institution, but students of any religious denomination are admitted, provided they are willing to attend, with proper respect, the religious exercises prescribed for the students in general.

Letters to and from the students are subject to the inspection of the president.

Pocket money must be deposited with the treasurer. No advance will be made beyond the deposit.

The use of tobacco under any form is strictly forbidden.

No student is allowed to leave the college premises without permission.

Students whose parents live in the city or in its vicinity, are allowed to visit them at the *written* request of parents on the first Wednesday of every month, but they must return to the college on the evening of the same day.

Should any one but a parent or guardian desire to take a student into the city on a visit or on business, it will be permitted only at the *written* request of parents or guardians.

Profane or improper language, quarreling, and such like improprieties, are not tolerated.

Every Catholic student is required to go to confession once a month, and to receive Holy Communion as often as permitted by his confessor.

The commission of any of the following faults renders the transgressor liable to be expelled from the college, viz.: habitual use of profane language; any gross immodesty; intoxication; the introduction of liquor into the college; leaving the college grounds after dark, or going into the city without permission; obstinate refusal to submit to a punishment, and open contempt of religion.

Special attention is given to religious training. Besides daily instruction, it is the intention of the faculty to form the students to a spirit of piety, not by compulsory acts, but by the salutary influence of religious practises.
